HERE'S the POINT

By SPENCE HELD

Sunday night I accidentally heard a very British fella speaking over the wireless.

Explaining the British political situation to his American listeners, he ocmpared a certain politician to "an inehbriate walking across a prairie filled with gahfer holes."

Yeah, I turned the bloke off.

* * *

And then there's the football broadcaster who talks out of the side of his mouth and sounds like a fugitive from a New York burlesque show.

With a large stock of canned corn at his command, he calls the ball "the onion" and says it's "on the 30-yahd line—no, the 29—I beg your pahdon, the 28-yahd line."

His wisecracks are unfunny and get in the way of the game; his long-winded advertising plugs are sheer torture to sensitive eardrums.

Some of us who were listening to this guy had to turn the radio 'way down, hearing only enough to keep track of the score. When he started an advertising plug we killed it instantly.

* * *

When Stanford defeated USC and Illinois knocked over Michigan Saturday, it was enough to make a Brooklyn bookie bawl into his Rheingold.

Actually, I suspect, some bookies have got smart enough to hire college sophomores to tell them when such "upsets" are likely to occur.

There's no mystery about it and "the fix wasn't in," Joe. In any traditional football game, the underdog can be 30 or 40 points poorer, on paper, and still win.

It's a case of the human spirit rising to the occasion, disregarding the bumps and bruises of rough physical contact and simply blocking and tackling harder than the complacent opposition. The will to win pays off in football like in no other sport.

I doubt that horses have it—they're probably governed by instinct rather than intelligence. And baseball is a game of skill.

* * *

Stanford has always been noted for its fine spirit. The entrance requirements are high and even the football players are exposed to an education. In other words, it's a good college.

USC looks unbeatable on paper. Their wealthy alumni have corraled carloads of talent . . . But they seem to lack something—college spirit, maybe?

Your guess is as good as mine.

Strand Theatre In Nat'l. Audience Award Picture Poll

Manager Ray Dennis announced that the Strand Theatre will participate in the National Audience Awards Poll to be conducted among the motion picture patrons of the country from November 17 to 27, inclusive.

Patrons of the Strand Theatre, in common with others throughout the country, will be asked to cast their ballots for the best picture of the year, the best performance by an actress, the best performance by an actor, the most promising new personality (male)and the most promising new personality (female.)

Feature Pictures

All feature pictures, foreign or domestic, released and shown between October 1, 1954, and September 30, 1955, and bearing the seal of the Production Code Authority, are eligible as candidates for the election. Personalities to be chosen must have appeared in one or more of the eligible pictures.

Nominations of pictures and performers to appear as candidates on the public ballot are now being made by the exhibitors of the country. The nominations will include at least 20 names in the best picture and best performances categories, and at least 20 in the most promising new personalities categories.

All Theatres

All of the nation's more than 19,000 theatres have been invited to participate in the election by the Council of Motion Picture Organizations, Inc., sponsor of the awards. All of the large exhibitor organizations have endorsed the poll, and the heads of the five leading national theatre circuits have promised their cooperation and participation.

Suitable awards will be given the winners at a public function to be held in Hollywood early in December.

Pt. Loma High To Encounter Kearny Tonight

Point Loma High School's football team will meet Kearny High in a CPL game tonight at 8 o'clock in Balboa Stadium.

It's billed as Kearny's Homecoming game, and presumably that team will go all-out in an effort to knock off the Pointers.

The locals lost, 14 to 7, to independent St. Augustine High here Friday. It was a slam-bang contest, with Point Loma scoring in the second quarter after a scoreless first period.

Mike Collins, Pointer end, recovered a fumble on the Saints' 30 and then Quarterback Jerry Booth tossed a lateral to Fernando Quaresma, who raced down the sideline to a touchdown. Jim Clifton kicked goal.

St. Augustine tied it up with a touchdown and extra point before the end of the half. They drove to the winning score in the fourth period

Plenty Of Rain In Europe, Says Jim Noel

Back from his first trip to Europe, Jim Noel of Ocean Beach said that he had seen more rain than in the last 10 years in San Diego.

Noel, of Noel Furniture Co., was gone six weeks, and saw just about everything. He left Sept. 26, flying from Los Angeles to Winnipeg, Can., and on to Greenland and Copenhagen, Denmark, on the new Polar Flight.

His wife, Mrs. Mary Noel, and Mrs. Lillian Larsen went by boat to Oslo, Norway, where he met them. They saw the beautiful Norwegian fjords; Stockholm, Sweden, and visited Mrs. Larsen's relatives in Copenhagen, whom she had never seen.

Hamburg, Germany, has been largely rebuilt since the war. There they saw the German war prisoners being returned from Russia after 10 years, Noel said. This poignant historic scene made quite an impression on the Americans.

Visit Ireland

After seeing Paris, they took the boat train to London. In Ireland they visited Mrs. Noel's relatives and saw Killarney, Blarney Castle and other points of interest.

It was raining one day in Limerick and Noel thought he saw a parade coming down the street. It turned out to be a funeral procession with an old-fashioned horse-drawn hearse in front, followed by about 50 men on foot and horse-drawn carriages filled with mourners.

Later, Noel asked an Irishman why they didn't use cars in funeral processions.

"Horses look sadder than autos," he replied.

In Ireland they still use donkeys with two-wheeled carts, the visitors noted.

Noel took off from Shannon Airport Friday for New York via TWA, and arrived home Sunday. Mrs. Noel and Mrs. Larsen are returning by boat and should be home about Thanksgiving.

"I'm glad I went," said Noel. "But European houses, in general, lack heat, hot water and bathtubs."

DRIFTWOOD EXHIBIT WINNERS ANNOUNCED BY CAL WESTERN

Winners in the third annual Driftwood Exhibit, held Saturday and Sunday on the campus of California Western University, were announced by Dr. William C. Rust, university president.

Dr. Rust awarded certificates to Mrs. George A. Lee for the best in the show; J. F. Wilson for an abstract piece; Mrs. L. L. Carringer for a caricature; Mrs. Maurice Brown for a table arrangement; Mrs. Charles D. Curtis for a wall arrangement; Denver Fox for a utilitarian object.

Also to Mrs. Clara Butler for miniatures; Mrs. Louis Jennings for a hand-carved sculptured piece; Mrs. Lee for a seasonal arrangement; and Linda Curtis, age 8, in the junior division. Awards were made on the basis of popular ballot.

Honorable mention went to Mrs. A. J. Stover, Jr., Boyce Parks, Mrs. Lauretta Pharis, Mrs. Hope Brueck, Denver Fox, Catherine Morrison, Mrs. Butler, Mrs. Charles Bustamente and Janet Olson.

'Suncliffs' Changed To Rainbow Realty

The name Suncliffs Realty has been changed to Rainbow Realty, with a larger office at 4785 Narragansett Ave., next door to the old office.

Mrs. Jane Rainbow, owner, explained that the former name had been confused with Sunset Cliffs and sometimes people could not find it in the telephone directory. A larger office was needed to better serve Peninsula residents, she said.

NEWCOMERS' CLUB

The Newcomers' Club of the Peninsula area planned to have a card party dessert meeting today at 12:30 p.m. in the Point Loma Assembly Hall.

About 50 members were to attend. The president, Mrs. E. W. Kaiser, was not expected to be present, as she was scheduled to undergo surgery at Mercy Hospital this week.

Kraft To Speak At GOP Meeting

State Sen. Fred Kraft will speak at a regular meeting of the Ocean Beach Women's Republican Club Wednesday, Nov. 16 at 1 p.m. in the O. B. Woman's Clubhouse, Bacon and Muir Sts.

The meeting is open to the public. Mrs. Frank Steverding, vice president, said that Sen. Kraft asured her that he will have "some vital current issues to present to the members and guests."

PAUL COTE RETURNS

Airman Second Class Paul A. Cote, son of Mrs. Rose Alma Walsh ,has returned from 21 months duty in Japan and Okinawa. He was with the 15th Weather Sqd. He will be home 43 days and then go to South Carolina for 18 months duty before he is discharged.

United Success Drive Report

If any Peninsula residents have not yet contributed to the United Success Drive, Chairman John Quimby said yesterday, they are late.

They also have a wonderful opportunity, he said, to help put the drive over the top of its $1,735,450 goal by mailing their contributions now to the Community Chest at P. O. Box 2671, San Diego 12, or calling the Chest to set a time when their donations may be picked up.

"We have reached the point," Quimby said, "where we have enough money to continue Red Feather services as we have known them in the past. But we know they have been inadequate. Every dollar received from this point on will go directly to an improvement and expansion of Red Feather services."

"Every dollar that comes in now," he said, "will go directly toward taking our children off the waiting list to join the Scouts, the Y's, the Camp Fire Girls and all the other agencies that have had budgets too tight to do the full job."

The dollars have been coming in well from the Peninsula area, Quimby said. The residential drive here under the chairmanship of Mrs. Harley C. Greaves has raised 58.8 per cent of its $26,781 quota.

"If late contributors arrange to get their gifts in promptly," Quimby said, "we should see a real spurt in that Peninsula percentage."

SPORTFISHING SEASON BREAKS ALL RECORDS

By all standards, the 1955 deep sea fishing season in San Diego and Coronado Islands waters now stands out as the greatest in the history of the sport and no end to the record breaking performances is in sight.

Last year's all-time high catch of 41,640 yellowtail went by the boards early last week and up to last Sunday rod and reelers had accounted for 42,314 yellows, 22,260 albacore, and 1201 bluefin tuna, not to mention countless barracuda, bonito, calico bass, white sea bass, rock fish of all sorts, and other species.

With the Coronado Islands producing well and the famous Rock Pile virtually neglected, yellowtail catches continue to mount steadily this week but schools of hungry bonito kept catches of the larger fish under what they might have been had not the bonito grabbed off the hook bait about as fast as it hit the water.

Yellowtail catches ran as high as 124 for the fleet but single boats took as many as 150 bonito.

Giant black sea bass also came strongly into the picture when Mel Shears, skipper of the Mascot III, bagged three on successive days—330 pounds, 300, and 407.

Among anglers who racked up exceptional catches of larger fish were W. E. Willis, B. E. Meadows, Arthur Colton, Ocean Beach, J. A. Webb, and P. O. Shuffler, Marlin Inn.

1st World War Exhibit Here

"Commemorating Armistice Day, Nov. 11, 1918," Col. Rolin W. Shaw has an exhibit of personal mementos of World War I, in the window of the Beach Realty, 5035 Newport Ave.

Col. Shaw, a veteran of World Wars I and II, is back in the real estate business after a period of retirement. He is a former secretary of the O. B. Chamber of Commerce.

His interesting exhibit includes photos, newspaper clippings, and items of military equipment used by both sides in the first world war. Included are rifle bolts, a helmet, German Iron Cross, money, playing cards and a unique railroad ticket.

Pt. Loma To Celebrate Its 'Century of Light'

Point Loma's "Century of Light" will be celebrated Nov. 12-15 with open house at Cabrillo National Monument, Point Loma Lighthouse and Ballast Point.

It was 100 years ago—Nov. 15, 1855—when a brilliant beacon flashed from "the Old Spanish Lighthouse" atop the tip of Pt. Loma as a guide to mariners. (The "Old Spanish" legend is strictly fiction—the lighthouse was built by the U. S. Government after Spain and then Mexico owned California.)

Don Robinson, superintendent of Cabrillo National Monument, announced the centennial celebration will open Saturday, Nov. 12, and continue through Tuesday the 15th—the actual anniversary of the first light.

Open house at Cabrillo National Monument ("the Old Spanish Lighthouse"), at the "new" Lighthouse—established in 1891—and at Ballast Point, will be from 9 a.m. to 5 p.m. during the four days.

An old light, made in Paris in 1849, will be lighted on the evening of Nov. 15. It was last used at Point Pintos in northern California and has been on display here for three months.

Only three lights of this type were made, according to Robinson. The original light here is said to be in use somewhere on the Great Lakes.

The Coast Guard will open Ballast Point to the public for the first time since 1939, Robinson said. Also, a buoy tender will be on display, along with air, sea and search equipment.

Church Groundbreaking Set Sunday

Point Loma Southern Baptist Church will break ground for their new building at 3790 Udal St., Sunday at 3 p.m.

This will be a two-story building valued at $40,000. The auditorium and church office will be on the first floor; the educational facilities and pastor's study on the second floor.

Started as a mission of the First Southern Baptist Church in March, 1953, the church was organized Oct. 3, 1954, and a call was extended to Rev. N. N. Ogden to continue as pastor. He had served as mission pastor since May of 1953.

Throughout this period services have been held in the Ocean Beach Woman's Club and at 2183 Bacon St. The building site on Udal St. was purchased in June. Construction will start immediately.

Peter Colt Wins Speaking Contest

Winner in the San Diego finals of the Voice of Democracy speaking contest was R. Peter Colt, 17, of Point Loma High School.

The contest is sponsored annually by the S. D. Junior Chamber of Commerce. Seven other high school students competed.

Colt will enter the district finals Nov. 17 at U. S. Grant Hotel; the district winner will compete in state eliminations prior to the national finals. Dr. Paul Kingston is S. D. contest committee chairman.

CHAMPIONS—Johnny Tolan (seated), 1952 National Midget champion, and Ray Crawford, Mexican Road Race winner, talk over their strategy for Sunday afternoon's 100-lap national championship auto race at Balboa Stadium, with Racing Director J. C. Agajanian (left).

FAMED DRIVERS TO COMPETE IN MIDGET AUTO RACE SUN.

Twelve Indianapolis drivers will headline a field of 32 in the 100-lap national championship midget auto races at Balboa Stadium Sunday afternoon, J. C. Agajanian, auto racing promotor announced this week.

Racing includes a three-lap trophy dash for the four fastest qualifiers, three six-lap heats and a 15-lap semi-main besides the spectacular long grind. Qualifying is scheduled to start at 12:30 p.m .and racing at 2:30 Gates will open at noon.

Auto racing's who's who will be headed by 1950 Indianapolis Speedway victor Johnnie Parsons and Tony Bettenhausen, second place finisher at the famous brick track this year. Bettenhausen, who will be piloting Danny Quells' hot Offenhauser, has accumulated more points than any other driver since the end of World War II.

Agajanian said that the race list will not be confined to just Indianapolis drivers but also some of the nation's leading sprint car and midget drivers.

Other leading drivers include Jimmy Davies of Pacoima, Walt (Little Dynamo) Faulkner of Long Beach, Andy Linden of Manhattan Beach, Jimmy Reece of Oklahoma City, Johnny Boyd of Fresno, Ray Crawford of Pasadena, Johnny Tolan of Norwalk and Bill Homeier of Pacoima.

Three of these drivers finished sixth or better at Indianapolis this year. Davies placed third, Faulkner fifth and Linden sixth. Crawford won the Pan-American road race last year and Reece, who was rookie of the year in 1952, finished seventh in the 500-miles the same year.

Tickets for the 100-lapper will be on sale at Thearle's Music Store and Town and Country hotel.

The United States exported 13,930 passenger cars to Belgium in 1953, according to the National Automobile Club.

Representatives of veterans' groups as well as church, social and political activities are especially urged to attend as Stanley will calrify the U.W.F. stand on disarmament.

San Diego Area Council Chairman Kimball Moore. "With this in view, working through the United Nations is advocated, and the United Nations must be supported and strengthened by all who hope for eventual settlement of international problems," he added.

Trying To Bluff Guy In Car Is Dangerous

"Don't try to bluff the guy in the car!"

That traffic safety tip was passed along to pedestrians today by Ronald T. Strong, president of the San Diego County Traffic Safety Council. Strong spoke on behalf of the Council's Pedestrian Safety program being carried on through the month of November.

"An automobile weighs about 3,000 pounds," Strong said, "and that's a lot more than the average walker weighs. A smart walker won't take any chances with such heavy odds against him."

He advises walkers to give the automobile the right of way every time, pointing out that the cemetery is crowded with pedestrians who had the right of way.

Gets Dark Early

"The months ahead with their increased hours of darkness, their inclement weather, and their holiday making are especially dangerous for pedestrians, Strong pointed out.

He urged walkers to be constantly on the alert and to realize that drivers can't see them well in darkness or in foggy or rainy weather.

Strong listed the most dangerous habits as: Crossing between intersections, entering the street from behind parked cars, and not looking both ways before stopping off the curb.

During the first 10 months of this year there were 24 pedestrians killed on San Diego County streets and highways. In 1945 the County pedestrian toll was 46; in 1953, 38 died during the year.

O. B. Woman's Club Meets Today

By MARIAN KRETTLER

While the regular session of the Ocean Beach Woman's Club will convene at the usual hour, 1 p.m., November 10, the speaker of the day, Mrs. Pandora Donovan, will be introduced at 2 o'clock.

Mrs. Donovan, who is assistant supervisor of Adult Education, and panel of foreign born adults, will be accompanied by Josephine Lazo, born in the Philippines, whose subject will be "What America Means to Me."

Hostesses for the social hour are Mrs. L. M. Sanford, Mrs. F. G. White and Mrs. T. W. Downey.

Mrs. Charles L. Hunter, chairman of literature, will welcome members and guests at 7:30 p.m. November 14 when Mrs. Leslie Hamm will review "Marjorie Marningstar" by Herman Wouk. Dessert wil be served preceding the meeting at the Clubhouse, so prompt attendance is indicated. Newcomers to the area who enjoy books and good fellowship are especially invited.

While it is a bit early to tell of the coming bazaar at the clubhouse, it might be well to mark the date on your calendar. November 30 is the day, hours from 10 a.m. to 2 p.m. A sale of baked goods will attend the bazaar, and our Ocean Beach Club women are mighty fine cooks, so come out and pick up some gifts for Christmas.

'Neurotics Bad Risks As Friends'

Is friendship out of fashion? Can people be friends when they do not know how to communicate? These questions will be considered by John Robert Clarke in his lecture, "Finding Friends in Babel's Tower," at 8 p.m., Tuesday, November 15, at San Diego House of Hospitality.

"Neurotics are poor risks in friendship," says Clarke. "Even though they may talk more than other people, they are usually communication-failures, whose psychic telephones are out of order."

Viewing friendship as an achievement of maturity, Clarke will present a humorous cavalcade of good and poor communicators, of deadly friends who would have fared better as strangers ,and of close enemies who were actually in agreement.

Tuesday's lecture is the sixth in the current "Adventures in Living" series, which is now given in Beverly Hills each week, as well as locally. All lectures are open to the public at a nominal charge, and are followed by coffee and discussion.

CONCERT HALL PROGRAM

On Sunday afternoon, Nov. 13, the Concert Hall program at the Armed Services YMCA will be presented by two accomplished pupils of Mr. Walter Haswell, Ocean Beach music teacher.

The program begins at 3 p.m. Ruth Banks, popular soprano, will sing selections from Hahn, Strauss, Arditi, Schubert, and Puccini. Carl Cato, pianist, will play "Impromptu" by MacDowell and "Invention No. 8" by Bach. Miss Banks will be accompanied at the piano by Mr. Haswell.

BAZAAR SET FRIDAY

The Women's Association of the First Presbyterian Church, Fourth and Date, is giving a Bazaar Friday, November 11, from 10:30 a.m. to 9:00 p.m. at the church. Both lunch and dinner will be served. There will be ten booths with many lovely items made and contributed by the ladies of the church.

AAUW Rummage

A Rummage Sale, sponsored by the San Diego branch, American Association of University Women, will be held Tuesday, Nov. 15, from 9 a.m. to 4 p.m. in the American Legion Hall, 27th and B Sts., announced Mrs. Charles M. Snell, chairman.

The sale, a fund-raising project for international fellowships and local scholarships, will feature unusual as well as conventional articles, Mrs. Snell said.

New 'Yield' Signs Are To Be Erected

SACRAMENTO — California motorists will soon be seeting the new "Yield" signs at some intersections, according to Commissioner B. R. Caldwell of the California Highway Patrol.

Several eastern states already are using the signs. Installation is now permitted in California under a new law which became effective September 7. The "Yield" signs will be triangle shaped, with black letters on a yellow background.

"Yield" signs permit drivers to cross an intersection at 15 miles per hour or less if no vehicle is approaching on the cross street. If traffic on the cross street is approaching close enough to constitute an immediate hazard., the driver must yield the right-of-way or stop if necessary.

Motorists are warned that a high percentage of accidents occur at intersections and extreme caution should be used at locations where "Yield" signs have been installed, Commissioner Caldwell explained.

The number of automobiles, trucks, and busses entering California during September of this year showed an increase of 17,309 over those entering during September, 1954, according to the National Automobile Club. A total of 412,452 entered in September, 1955, while 395,143 entered in September, 1954.
